Re: 2025 Huron County Pride Festival

Dear Mayor Bazinet and Council,

Once again, Huron County Pride is hosting its annual festival.

This year's festival will be held on June 7, 2025, in Courthouse Square. The theme this year will be "Once Upon a Pride," a storybook/magical inspired event.

We are not seeking to close any roadways this year and will stay within the courthouse square due to potential construction on the square. The section in front of our local cenotaph and behind the courthouse will not be utilized.

We would like to make the following request regarding our event;

- Permission to make use of amplified sound.

We are seeking your support and approval once again this year.

Hope to see you there!
