RE: Request to Council

To the Members of Goderich Town Council,

I am writing you today on behalf of the 22 Until None Operation Mercury March taking place on June 6, 2026, between the hours of 10am – 12pm beginning at Courthouse Square. We will be meeting at the square at walking down to the Rotary Coves and back. As in previous years this is a self contained event and we required no support from the town, nor will be using any music or amplified sound during the event.

Operation Mercury is a global event for veterans and first responders in its 6th year. Globally we work together in Veteran and First Responders Mental Health and Suicide Awareness at a peer support level.

I have been leading this march here since it's conception and I invite any members of council who wish to participate to please do so.

Thank you very much for your time and consideration. We hope to see you there!

Sincerely,

Mark Morse
